

*Wildlands Conservancy envisions an excellent quality of place in the Lehigh Valley, the Lehigh River watershed and beyond. The mission of the organization is to preserve, protect, and enhance the land, water, ecological, and recreation resources of the region. The Conservancy fulfills its vision and mission through involvement – with many partners – in broad-based education programs, various land-protection and stewardship strategies, science-informed water quality and ecological restoration projects, comprehensive community-planning efforts, and greenway and recreational-trail development.*
